FollettBound Glued — Graphix, an imprint of Scholastic, 2022

"Jessi recently moved to Stoneybrook and is one of the newest members of The Baby-sitters Club. She's getting ready to start regularly sitting for the BSC's newest charge, Matt Braddock. Matt has been Deaf since birth and uses sign language to communicate, so Jessi has to use it, too. It's a secret language! Soon all the neighborhood kids want to learn how to sign, which keeps the BSC busy. Jessi's the busiest of all--she's preparing for her dance school's big show, plus working on another secret, just for Matt. Will Jessi be able to keep the secret and pull off her special event?"--Provided by publisher.

The Baby-sitters Club. 13, Mary Anne's bad luck mystery (Baby-Sitters Club, Book 13) by Cheng, Cynthia Yuan (#2387TA2) — 1

FollettBound Glued — Graphix, an imprint of Scholastic, 2023

"Mary Anne should never have thrown away that chain letter she got in the mail. Ever since she did, bad things have been happening to everyone in the Baby-sitters Club. With Halloween coming up, Mary Anne's even more worried--what kind of spooky thing will happen next? Then Mary Anne finds a new note in her mailbox: Wear this bad-luck charm, it says. OR ELSE. Mary Anne has to follow the note's instructions. But who sent the charm? And why did they send it to Mary Anne? The BSC might never see an end to their bad luck if they don't solve this mystery soon"--OCLC.

FollettBound Glued — Graphix, an imprint of Scholastic, 2023

"Stacey is so excited! Her friends from The Baby-sitters Club are coming to New York City for a long weekend. It's going to be perfect--a party and a sleepover on Friday night, a big baby-sitting job on Saturday, and lots of sightseeing throughout. But it turns out that the baby-sitters are way out of place in the big city. Mary Anne sounds like a walking guidebook, Dawn is afraid of everything, Kristy can't keep her mouth shut, Claudia is jealous of Laine--Stacey's New York best friend--and Mallory and Jessi feel intimidated by Stacey's classmates. With ten kids to baby-sit and a full schedule of activities, how will Stacey keep the weekend from becoming a complete disaster?"--Provided by publisher.

FollettBound Glued — Graphix, an imprint of Scholastic, 2024

"They're lean, they're mean, they're the pride of Stoneybrook. Who are they? They're Kristy's Krushers! When Kristy sees how much her little brothers and sister want to play on a softball team, she starts a ragtag team of her own. Maybe Kristy's Krushers aren't world champions (how could they be, with Jackie Rodowsky, walking disaster, playing for them?), but nobody beats them when it comes to team spirit. Now Bart's Bashers have challenged the Krushers to a game. It's bad enough that the Bashers truly are lean and mean -- but what's worse is that Kristy has a crush on the Bashers' coach!"--Back cover.

The Bad Guys in the others?! (Bad Guys, Book 16) by Blabey, Aaron (#1825HX7)

— 1

FollettBound Glued — Scholastic Inc., 2022

"OK. A lot of the stuff we said on the back of the last book was NOT TRUE. We now admit that The Bad Guys is WEIRD. We also admit that it features ALL the weird stuff we said it didn't. PLUS there's now a whole bunch of even weirder stuff involving an over-sharing bat, a really scary new character who lives in the woods, and a strangely confident little guy with a mullet. So, uh, don't relax, maybe FREAK OUT a little and have your MIND BLOWN by the BAD GUYS!"--Back cover.

Break (Click, Book 6) by Miller, Kayla (#2415AD2)

Hardcover — Clarion Books, imprints of HarperCollinsPublishers, Harper Alley, 2024

"Spring Break is full of possibilities . . .but not for Olive. This year, Olive is leaving her friends and all of their exciting vacation plans behind to visit her dad at his new apartment in the city. Goober is thrilled to spend a whole week with their father and has a long list of activities for their time together. Olive, on the other hand, still remembers the hurt of their dad moving halfway across the world. She would rather spend time with her friend Bree or scrolling through her new phone to keep up with everything she's missing back home than catch up with him. As the week winds on, the normally easy-going Olive finds feelings of loneliness and resentment throwing her out of whack. Is there any hope of salvaging the visit--or will Olive's Spring Break be a Spring Bust?"--Provided by publisher.

The factory by Egan, Catherine (#2015HF1)

— 1

FollettBound Glued — Scholastic Inc., 2025

"Thirteen-year-old Asher Doyle is no stranger to misfortune. Bullied at school and struggling with problems at home, he dreams of the day he can leave it all behind him. That's when he receives an unexpected opportunity: an invitation to join the Factory--a top-secret research facility that's supposedly developing renewable energy--and Asher will be paid handsomely for his participation. It seems like the answer to all his problems. But not everything is as it seems at the Factory. The other kids in the program are tired and sullen, almost as if they've had the life sucked out of them, and the staff members are clearly hiding something"--Provided by publisher.

Find your porpoise by Ross, M. C (#2803YD7)

— 1

FollettBound Glued — Scholastic Inc., 2024

"Autumn on the Maine coastline: beautiful red leaves, hot apple cider, crashing waves, and... dogs playing with porpoises? That's life for Lars and Bangor, a dog and harbor porpoise, best friends in the town of Ogunquit, Maine. They went viral after Bangor was separated from his pod, and it was up to Lars and his human, Natalie, to reunite him with his family. Now, Bangor and his pod are back, but they're not the only visitors in town: Ogunquit has been overrun with tourists and reporters eager to catch a glimpse of the famous friends. And to make things worse for Lars, an otter named Marina has captured everyone's hearts--including Bangor's! With Marina taking center stage, can Lars learn to share the spotlight?"--Back cover.

Fire and fate : a tale of the lord of darkness (Villains) by Valentino, Serena (#2442DC3)

— 1

Hardcover — Disney/Hyperion, 2023

"The myth has been told for centuries: Brothers Zeus, Poseidon, and Hades waged a years-long war against their father Cronus and his tyrannical Titans. Upon their mighty victory, Zeus split the world into three. For himself, he claimed the Sky and what fell below it. To his brother Poseidon, he assigned dominion over the Sea. And his oldest brother, Hades, would rule the Underworld. While Hades tries to make the best of a lonely situation, eternity proves a long time to be forced to live in a role--a domain--he never wanted. And the part of the story no one tells is that when your family treats you like a villain, it is far too easy to become one. Years of being ignored and shamed by his family reach a fiery head, when three perfectly alive witches find their way into the land of the dead. Bored and lonely, Hades befriends these mysterious Odd Sisters and makes a bargain that will change the course of fate. But when you're a god, making a deal has the potential to rewrite more stories than just your own..."--Provided by publisher.

Fresh start by Galligan, Gale (#2174UG5) — 1

FollettBound Glued — Graphix, an imprint of Scholastic, 2025

"Ollie Herisson's dad is a diplomat, which means her family moves around a lot. She has already lived in Singapore, Korea, France, and the United States. When Ollie starts at a new school, she doesn't worry about making a good impression because she knows that when her family inevitably moves again, she'll get a fresh start somewhere else. A complete reset. It doesn't matter if her classmates think she's weird for pretending that she lives in the world of an imagined anime, or if she makes an enemy out of the most popular girl in her class, or if she does something hugely embarrassing! And it definitely doesn't matter that all her mom wants is for Ollie to be more of a proper Thai daughter. But after moving from Germany to Virginia and having a mortifying first day at her new school, Ollie is shocked to learn that her parents are going to buy a house so that Ollie and her sister, Cat, can finish grade school in one place. Can Ollie figure out how to both be herself and make real friends when she can't run away from her life?"--Publisher.

Glacier vanishing (Campground Kids, Book 9) by Fulton, C. R. (#2890PJ0)

Hardcover (library binding) — Spotlight, a division of ABDO, 2026

"As The Campground Kids head to Montana to visit Glacier National Park, they find this trip is nothing short of bizarre. It all starts when their truck breaks down, and they use a loaner from a local displaying an odd bumper sticker. On their way into the park, they are nearly run off the road by another driver. While setting up camp, they hear yelling in the distance between two people. To top it off, Ethan insists a yeti is running wild in the woods. After the dust settles, the family decides to play an innocent game to see who the stealthiest person of the group can be. Each of the family members takes a position, and the game begins. But Isaiah soon senses something is wrong. Suddenly, without a sound, they all vanish... Did a yeti really exist? Was this all coincidence or was something bigger at play? What happened to the Campground Kids in Glacier National Park?"--Provided by publisher.

Heroes by Gratz, Alan (#2853EC0)

— 1

Hardcover — Scholastic Press, 2024

"December 6, 1941: Best friends Frank and Stanley have it good. Their dads are Navy pilots stationed at Pearl Harbor in Hawaii, and the boys get a front-row view of the huge battleships and the sparkling water. Yes, World War II is raging in Europe and in Asia, but the US isn't involved in the war, and the boys are free to dream about becoming comic book creators. They've even invented a superhero of their own, in the style of Batman, Superman, Captain America, and other stars of the Golden Age of Comics. Maybe they'll even get their comic published someday. December 7th, 1941: Everything explodes. That morning, Frank and Stanley are aboard the battleship the USS Utah when Japanese planes zoom overhead and begin dropping bombs on the ships below. Chaos ensues as everyone scrambles to dive for safety. Frank and Stanley realize what's happening: Japan is attacking America! The war has come to them. As the boys fight to make their way home amidst the carnage, it's clear that everything has changed. Stanley's mother is Japanese American and he is suddenly facing a terrible prejudice that he's never known before--he's now seen as the 'enemy,' and Frank, who's white, cannot begin to understand what Stanley will now face. Can their friendship--and their dreams--survive this watershed moment in history?"--Provided by publisher.

"Not every kid would be thrilled to move to rural Alaska, but sixth grader Lucy is eager to leave her bullies behind and start over. However, it turns out that Lucy's new school does remote learning from October to April, when the roads become too icy to navigate safely. Being the new kid is hard enough--how is she going to make friends when she can't meet anyone in person? Luckily, the sixth grade class at White Pine Secondary School is tiny (just thirteen students) and they're all super nice and really welcoming. . . . As the ice starts to thaw, Lucy grows increasingly excited about meeting her new friends in person. But when she enters the school's address on her phone's GPS, it leads her to a crumbling, clearly abandoned building with a rotted wood sign in front--a sign that reads White Pine Secondary School"--Provided by publisher.

I survived the Nazi invasion, 1944 (I Survived, Book 3) by Ball, Georgia (#1913PCX)

— 1

FollettBound Glued — Graphix, an imprint of Scholastic Inc., 2021

"It's been years since the Nazis invaded Max Rosen's home country of Poland. All the Jewish people, including Max's family, have been forced to live in a ghetto. At least Max and his sister, Zena, had Papa with them--until two months ago, when the Nazis took him away. Now Max and Zena are on their own. One day, with barely enough food to survive, the siblings make a daring escape from Nazi soldiers into the nearby forest. They are found by Jewish resistance fighters, who take them to a safe camp. But soon, grenades are falling all around them. Can Max and Zena survive the fallout of the Nazi invasion?"--Provided by publisher.

Me, Frida, and the secret of the peacock ring by Cervantes, Angela (#1116AV9)

— 1

Paperback — Scholastic Inc., c2018 p2019

"Paloma Marquez is traveling to Mexico City, birthplace of her deceased father, for the very first time. She's hoping that spending time in Mexico will help her unlock memories of the too-brief time they spent together. While in Mexico, Paloma meets Lizzie and Gael, who present her with an irresistible challenge: The siblings want her to help them find a valuable ring that once belonged to beloved Mexican artist Frida Kahlo. Finding the ring means a big reward -- and the thanks of all Mexico. What better way to honor her father than returning a priceless piece of jewelry that once belonged to his favorite artist!"-- Publisher.

Playing the cards you're dealt by Johnson, Varian (#2375VA9)

— 1

Paperback — Scholastic Inc., c2021 p2023

"Ten-year-old Anthony Joplin has made it to double digits! Which means he's finally old enough to play in the spades tournament every Joplin Man before him seems to have won. So while Ant's friends are stressing about fifth grade homework and girls, Ant only has one thing on his mind: how he'll measure up to his father's expectations at the card table. Then Ant's best friend gets grounded, and he's forced to find another spades partner. And Shirley, the new girl in his class, isn't exactly who he has in mind. She talks a whole lot of trash-- way more than his old partner. Plus, he's not sure that his father wants him playing with a girl. But she's smart and tough and pretty, and knows every card trick in the book. So Ant decides to join forces with Shirley--and keep his plans a secret. Only it turns out secrets are another Joplin Man tradition. And his father is hiding one so big it may tear their family apart . . ."--Provided by publisher.

FollettBound Glued — Harper, an imprint of HarperCollinsPublishers, 2019

"Life used to be great for Rose: full of friends, a loving mom, and a growing fashion blog. But when her mother dies in a car crash, Rose is sent away to live with a strange grandmother she hardly knows and forced to attend a new school where mean girls ridicule her at every turn. The only place Rose finds refuge is in her grandmother's greenhouse. But one night she sees a strange light glowing from within it. She goes to investigate . . . and finds herself transported back five hundred years to Hatfield Palace, where she becomes servant and confidant of the banished princess Elizabeth, daughter of King Henry VIII. Rose soon discovers something else amazing--a locket with two mysterious images inside it, both clues to her own past. Could the greenhouse portal offer answers to the mysteries of her family . . . and their secrets?"--Publisher provided.

Running in flip-flops from the end of the world by Reynolds, Justin A (#2853LC1) — 1

Hardcover — Scholastic Press, 2024

"When twelve-year-old Eddie Gordon Holloway and his friends are left home from Beach Bash, aka the greatest party of the year, only to realize that everyone in town has disappeared without a trace, they do what any smart, responsible kids would do ... have the best day ever! No parental supervision sounds fun for a while, but forever is a long time. And soon the gang starts to notice strange things happening around town, and they're only getting stranger. They have to figure out what happened to their families. It seems like getting to the beach will answer all their questions . . . but the only problem is that some mysterious force seems determined to prevent them from making it there. Eddie knows that this is a clear sign--obviously they should be focused on having as much fun as possible for as long as possible. But everyone deals with the fear differently, and soon the friendships begin to fracture. Can Eddie find a way to get all his friends on the same page? And will they ever make it to the beach?"--OCLC.

Spy Ninjas. Virtual reality madness! (Spy Ninjas, Book 1) by Vannotes (#1825BX3)

— 1

FollettBound Glued — Graphix, an imprint of Scholastic, 2022

"The Spy Ninjas finally have the upper hand! Chad and Vy have discovered a super secret project Zorgo base. It's filled with gadgets, gizmos and some serious technology. Chad and Vy just have to show some of this to the other Spy Ninjas. They bring a VR headset home with them, but it's more than meets the eye. Chad and Vy try on the headset and get sucked into a virtual world! This can't be good. Complete with digital bosses, exploding food, and wacky characters, will the Spy Ninjas be able to escape or will project Zorgo prevail once and for all? This original graphic novel is perfect for readers searching for a whirlwind adventure!"-- Provided by publisher.

Sunny makes a splash (Sunny (Graphix), Book 4) by Holm, Jennifer L (#1618JR7)

— 1

FollettBound Glued — Graphix, an imprint of Scholastic, 2021

"It's summer, and Sunny is bored. Most of her friends are out of town. Her mom wants her to baby-sit way more than Sunny wants to baby-sit. There's nothing good on TV. The only place that's cool (in a not-boring sense) and cool (in a not-hot sense) is the community pool. Sunny loves going there--and loves it even more when she's offered a job at the snack shack. Soon she's flinging fries and serving soft ice-cream like a pro--with the assistance of the very sweet boy who works with her. Sunny's mom isn't sure Sunny should be quite so independent. But Sunny is definitely sure: Life is best when it's free swim"--Provided by publisher.

Sunny makes her case (Sunny (Graphix), Book 5) by Holm, Jennifer L (#2871QC6)

— 1

FollettBound Glued — Graphix, an imprint of Scholastic, 2024

"Sunny is starting to understand the ins and outs of middle school... but she still feels more out than in. Most kids have a thing they do outside of class, like football or track or cheerleading. Sunny isn't quarterback material, and her cheer attempts are... not the best. So what can she do? When Sunny's friend Arun says he wants to start a debate club, she's not really sure what he means. Isn't debate just... arguing? Sunny's never had a problem with arguing. Some of the debates are fun ones: which is the best candy? Is peanut butter a force for evil or a force for good? But when the debate club starts to be a success and the topics get harder, Sunny realizes she won't just be able to talk her way into winning... she'll have to make her case!"--Provided by publisher.

Sunny rolls the dice (Sunny (Graphix), Book 3) by Holm, Jennifer L (#1170ZV5)

— 1

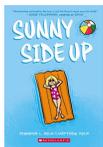

FollettBound Glued — Graphix, an imprint of Scholastic, 2019

"Sunny's just made it to middle school . . . and it's making her life very confusing. All her best friend Deb wants to talk about is fashion, boys, makeup, boys, and being cool. Sunny's not against any of these things, but she also doesn't understand why suddenly everything revolves around them. She's much more comfortable when she's in her basement, playing Dungeons & Dragons with a bunch of new friends. Because when you're swordfighting and spider-slaying, it's hard to worry about whether you look cool or not. Especially when it's your turn to roll the 20-sided die"--Provided by publisher.

Upon their mighty victory, Zeus split the world into three. For himself, he claimed the Sky and what fell below it. To his brother Poseidon, he assigned dominion over the Sea. And his oldest brother, Hades, would rule the Underworld. While Hades tries to make the best of a lonely situation, eternity proves a long time to be forced to live in a role--a domain--he never wanted. And the part of the story no one tells is that when your family treats you like a villain, it is far too easy to become one. Years of being ignored and shamed by his family reach a fiery head, when three perfectly alive witches find their way into the land of the dead. Bored and lonely, Hades befriends these mysterious Odd Sisters and makes a bargain that will change the course of fate. "In 1961, Betty and Barney Hill claimed to have experienced a bizarre night that included extraterrestrials, flying saucers, and a few lost hours during which they could recall very little until they underwent hypnosis. Their mysterious story was just the first of many that have been told by people who have since come forward with their own similar experiences. Although there are thousands of people who claim to have experienced alien abduction, much of the world remains skeptical. Is alien abduction a real phenomenon that has affected people worldwide or just an imagined shared experience? Could the US government be working to cover up these stories? "The Nazca Lines in Peru have mystified people around the world for centuries. The famous figures, sometimes called geoglyphs, include a hummingbird, a spider, a fish, a monkey, a dog, a cat, human-like figures, geometric designs, and more. These amazing images were believed to have been created between 500 B.C.E. and 500 C.E., and no one is quite sure how or why they were created. Some historians believe that they are ancient irrigation systems, but other researchers believe in a more paranormal origin story. Were the Nazca Lines created by ancient cultures thousands of years ago, or could they have been alien landing sites?"--Provided by publisher.

What do we know about the Roswell incident? (What Do We Know About?) by Hubbard, Ben (#2621FA3) — 1

FollettBound Sewn — Penguin Workshop, 2023

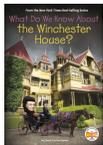

"In 1947, an unusual object crashed in the New Mexico desert and was recovered by the Roswell Army Air Field officers. People everywhere began to speculate what the object could be. Could it possibly be a flying saucer? Would that be proof of aliens and life beyond Earth? Even decades later, some people still believe that the Roswell Incident is the most famous UFO sighting ever. Still, those who worked at the airfield insist it was just a weather balloon that had fallen from the sky. Was the Roswell Incident evidence of alien life, a government cover-up, or just a myth? Here are the facts about what we do know about Roswell"--Provided by publisher.

What do we know about the Winchester House? (What Do We Know About?) by Berne, Emma Carlson (#2409GBX) — 1

FollettBound Glued — Penguin Workshop, 2023

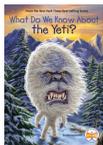

"In 1884, Sarah Winchester began building a large mansion in Santa Clara County, California. Under Sarah's direction, the house rose to be seven stories high and filled with mysterious features, including stairs that lead to nowhere and windows that look into other interior rooms. The house is more than just oddly designed, however: Many people believe that it is haunted. What made the heiress to the Winchester rifle fortune, an independent woman in many ways ahead of her time, create such an unusual house? Is it really filled with ghosts and spirit energy? Find out more in this nonfiction title about one of America's most famously unexplainable and possibly haunted houses"--Provided by publisher.

What do we know about the yeti? (What Do We Know About?) by Hubbard, Ben (#2639DF6) — 1

FollettBound Glued — Penguin Workshop, 2024

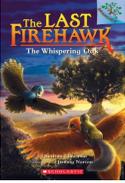

"Not quite human and not quite an animal, the Yeti has been the subject of speculation for centuries. In modern times, the Yeti has become a popular cryptid, appearing in movies, books, and TV shows. Although there are many claimed sightings of the Yeti, there is no real evidence that it exists. This elusive cryptid, also known as the Abominable Snowman, remains a mystery. Does the Yeti truly live in the snowy Himalayas? Have the Sherpa who live there spotted him at the highest altitudes? Here are the facts about what we really know about Yeti sightings, research, and lore"--Provided by publisher.
